

Work Life Urgent Care, LLC is Maryland's first integrated urgent care and behavioral health clinic located in Glen Burnie, MD. Our suite includes a lobby, group room and 2 counseling offices. We are looking for compassionate clinicians (LCPC or LCSW-C required) for contract position (\$40 per billable client seen, 50% collected group fees and 50% of self pay fees). The position requires providing walk in and scheduled individual, family and couples mental health and substance use therapy for children, adolescents and adults. Must also be comfortable with conducting assessments and therapy in the client's home and community. Must become credentialed with major insurance companies, complete CAQH application and carry your own liability insurance. Looking for therapists to work PT/FT with a minimum of 2 days per week. Schedule is flexible. The practice is open Monday-Friday 9-5pm, Saturday 9-2pm. Please email LaToya Nkongolo, LCSW-C, LCADC at worklifellc@gmail.com for consideration.

Work Life Urgent Care, LLC offers personal and immediate non-life threatening medical care and behavioral health counseling services. Work Life offers xray services, onsite labwork, vaccinations, occupational health services and routine physical exams. We accept Medicare, Medicaid and most insurance plans.
